REMARKS

The Amendment

Entry of this amendment is respectfully requested. No new matter is added by the amendments, because the new claims find support in the application as filed. In particular, the new claims limit the claim dependencies and rewrite the claims in more standard US form.

Claims 15-34 are in this application, Claims 1-14 having been canceled, and Claims 15-34 having been added by this amendment. Entry of the amendment and allowance of the claims are requested.

Respectfully submitted,

Sever P. Kuyberg
